

EPEAT Partner Reseller Membership Fees
2008 – 2009
Effective September 25, 2008

The EPEAT Partner Reseller Membership Fee is based on the reseller's 2007 calendar year combined sales in US dollars of all EPEAT-eligible products (currently laptops, desktops, monitors and integrated systems), and falls into three tiers, as follows:

TIER 1: Resellers with 2007 calendar year combined US-Canadian sales of EPEAT-eligible products exceeding \$10 million
Annual Fee: \$500

TIER 2: Resellers with 2007 calendar year combined US-Canadian sales of EPEAT – eligible products between \$10 million and \$1 million
Annual Fee: \$250

TIER 3: Resellers with 2007 calendar year combined US-Canadian sales of EPEAT-eligible products lower than \$1 million
Annual Fee: \$100

Note: The fee is not based on sales of specific products registered in EPEAT. It is based on TOTAL sales of these product types.

Payment of the EPEAT Partner Reseller membership fee and completion of the other requirements of the EPEAT Partner Reseller Program entitles the participating reseller to twelve months of the benefits described in the EPEAT Partner Reseller Overview document found at <http://www.epeat.net/ResellerOverview.aspx>.
