EPEAT Subscriber Fees Effective July 1, 2007

The EPEAT License and Subscriber fee is based on the manufacturer's 2006 combined sales, in US dollars, of all EPEAT-applicable products (currently laptops, desktops, integrated systems, and monitors) in the US and Canada in the following 5 tiers:

Band	Combined 2006 Sales	Fee
1	Over \$10B	\$90,000
2	\$1B - \$10B	\$45,000
3	\$100M - \$1B	\$22,500
4	\$10M - \$100M	\$10,000
5	Less than \$10M	\$1500

Note: The fee is NOT based on sales of the specific products registered in EPEAT. It is based on TOTAL sales of these product types.

The fee enables the subscriber to register in EPEAT an unlimited number of products, as appropriate, for one (1) year.
