Mobile Phones Fee Schedule ECOLOGO/EPEAT Joint Certification

EPEAT Registry Access (EPEAT Participation Fee only)
 Effective for EPEAT Participating Manufacturers July 1, 2017 – July 1, 2018**

Payment of the appropriate fee below enables an EPEAT Participating Manufacturer to place onto the EPEAT Registry products that are certified against the UL 110 Standard for Sustainability for Mobile Phones under the UL ECOLOGO/EPEAT Joint Certification program specific requirements.

Unlike the traditional EPEAT Participation Fee schedule, the ECOLOGO/EPEAT Joint Certification is currently being offered as an option for the July 1, 2017 – July 1, 2018, time period, with no automatic renewal. Participating manufacturers who choose the Joint Certification option will by default use UL Environment as their [approved CAB](#).

The EPEAT Participation Fee is based on the Manufacturer’s most recent global sales of their branded products, stated in U.S. dollars. Global sales include all product types covered by UL 110, whether or not those products meet EPEAT environmental criteria or are registered on EPEAT.net.
