

EPEAT Clarification #1-8
Corporate report based on GRI

This Clarification applies to the following IEEE Standards and criteria:

Applicable Standards:	Applicable Criteria
<input checked="" type="checkbox"/> IEEE 1680.1 – Computers and Displays	4.7.3.2
<input type="checkbox"/> IEEE 1680.2 – Imaging Equipment	
<input type="checkbox"/> IEEE 1680.3 – Televisions	

PVC Determination:

The index should be provided to purchasers and other stakeholders in whatever form the full report is provided. The criterion does state that the report and the index shall be provided with the verification data.

Background analysis:

A company asked if the required index to the corporate report can be provided on the web.

Change History:

Created: January 2007
